33rd Sunday of Ordinary Time **Matthew 25:14-30**

In today's Gospel reading, Jesus uses a parable again to show that God has created each of us with special gifts to make the world a better place! Like the Master in the story, our Heavenly Father is counting on us, His servants. He wants us to use the gifts He has given us to bring others to Jesus and to spread the Good News! When we do this, He is so very happy!

We too are happy when we follow God's plan. He gives us gifts to use and we must be faithful to what He gives us. When we do this, God gives us more responsibilities for which we can use our gifts. When we are faithful to Him, we can share in God's joy!

Activities:

- What are your gifts? If you can't think of any, write down the things you love to do—maybe it's drawing, sports, or cooking. Now find a way to use this gift to spread joy and God's love this week!
- Your faith is your greatest gift. How can you share it this week?
- What are some of the gifts others share with you? Take a few minutes this week and write a note thanking someone for sharing their gifts with you.
